Flexible IT Staffing Strategies That Deliver the Right Candidate at the Right Time

“OpenArc is the best staffing firm in Pittsburgh. The staffing team does a great job finding top talent along with helping us sell the positions and the company to the candidates - Mark Miko, CIO at Duquesne Light Company. ”

Services That Set Us Apart

Brand Ambassadors

Acting as an extension of your organization, our IT solutions team will take the time to understand your business in order to attract top-talent for building your team.

Industry Expertise

Through OpenArc's vast network, you'll have unique insight on market trends, the competitive landscape and access to vetted candidates.

Only the Best

Expertly finding you only the best candidates for your position and organization. There is zero cost to you if we don't present you the best candidate.

We Work for You

Whether contract, contract-to-hire or direct hire, OpenArc's team meets every candidate face-to-face, and are certified in behaviorally-based interviewing.
